Built circa 1924, this is a rarely available two double bedroom, single storey, detached property of considerable charm and character, offered with the added benefit of a detached studio/home office and situated on a good sized plot in the favoured Nevill area.

In our opinion, this delightful property has been carefully maintained and is beautifully presented to a high standard throughout. The neutrally decorated rooms include a double aspect living room which is a particularly light and bright space. The kitchen/breakfast room comprises a range of modern units in a country style with space for appliances, and double doors provide views and access to the gardens. Completing the accommodation are a bright rear sun room, utility room, two double bedrooms (both with ornate fireplaces and fitted wardrobes) and a family bathroom with a modern white suite.

Externally, well maintained gardens wrap around the house and enjoy views in part towards the South Downs. The enclosed gardens are nicely planted with lawn and specimen shrubs and trees including willow. Furthermore, there is a detached studio/home office of substantial timber construction which offers an ideal work space being of a triple aspect with double glazing and lights. A driveway to the front provides parking for three/four cars.
