

Plot 10, The Tirley, 5 Mereside,
The View, Burton Waters, LN1 4AY

The Tirley

The Tirley is a spacious 2-bedroom property with an en-suite shower room and direct lake views. The design is intended to maximise living space, offering a generous kitchen living dining area with lake views. The master bedroom benefits from ample wardrobe space and a spacious 3-piece en-suite shower room. The rear garden is south-west facing with a spacious patio and turfed lawn. The Tirley boasts a high level, almost 100% airtight construction, minimizing heat loss, with a mechanical heat ventilation recovery system recycling warm air for efficiency. It exceeds UK insulation standards, featuring 115mm reflective external wall insulation and triple-glazed windows. Air Source Heat Pump technology and PV Solar Panels further enhance energy efficiency, promoting sustainable living with considerably reduced running costs.

WELCOME TO 'THE VIEW' AT BURTON WATERS

Explore "The View" at Burton Waters, a collection of modern, eco-friendly detached bungalows set in a sought-after area just 3 miles west of Lincoln's historic City Centre. This development offers energy-efficient eco-homes for those over 55, situated within the secure environment of Burton Waters, which benefits from 24-hour security and CCTV monitoring. The development is unique to the area and provides a peaceful community lifestyle, ideal for those in early retirement or seeking a secure base for travel in later years. Residents can enjoy comfort, luxury and stress-free living, focusing on personal priorities.

For those who enjoy the outdoors, the development is surrounded by a variety of walking and cycling routes. A popular choice is the Fosdyke Canal Trail, a scenic route from Lincoln to Saxilby that offers picturesque views and abundant wildlife. Additionally, there are several shorter trails nearby for walking and cycling enthusiasts.

Located in a peaceful setting, each home is surrounded by parkland and offers beautiful lakeside views. Just a short walk away, you'll find Burton Waters Marina, featuring a variety of restaurants and cafés with outdoor seating to enjoy the stunning scenery. The marina is a vibrant spot, supporting local, independent businesses and fostering a welcoming community atmosphere.

Burton Waters also hosts 'The Woodcocks,' a popular, family-friendly pub that draws locals all year round. For those seeking leisure activities, the nearby David Lloyd Health Club offers a range of facilities including a gym, tennis courts, a swimming pool and a spa.

This community provides a perfect blend of quiet countryside living with the benefits of modern conveniences close at hand, making it a wonderful place to live.

INTRODUCTION TO ARBOR LIVING

Arbor Living stands out in the over-55s market by providing a luxurious living experience that's truly unmatched. Each of the eco-friendly, single-story homes are easy to maintain, pleasing to the eye and nestled in secure, beautifully landscaped lakeside settings. With a variety of layouts and sizes available, there's something to fit everyone's needs.

Arbor Living's forward-thinking approach to sustainable living provides a unique opportunity for downsizers to embrace a highly efficient, quality home lifestyle. Embracing eco-friendly living isn't just a trend-it's the future of the UK housing market. By choosing Arbor Living, you contribute to global sustainability efforts, reducing our collective carbon footprint while enjoying a cutting-edge lifestyle.

As an independent, family-run business, Arbor Living is deeply committed to offering the over-55s market a viable, planet-friendly living option that supports a sustainable future for generations to come. This often overlooked demographic finally has a thoughtful and innovative housing solution tailored just for them.

As environmental awareness increases, eco-efficient homes are becoming a priority for buyers. These homes are crafted to not only reduce environmental impact but also lower monthly costs. They feature a high level, almost 100% airtight construction that minimises heat loss, supplemented by a mechanical heat ventilation recovery system that recycles warm air for maximum efficiency.

These homes exceed UK insulation standards with 115mm of reflective external insulation and triple-glazed windows to enhance heat retention. We also employ Air Source Heat Pump technology, an efficient system that uses less energy thanks to underfloor heating.

Lastly, each home is equipped with PV Solar Panels to harness solar energy, promoting sustainable living with considerably reduced running costs. These features ensure your home is both eco-friendly and economically beneficial.

Here is what to expect in these eco-efficient homes:

1. Highly efficient air source heating systems
2. PV solar panels
3. High level, almost 100% airtight construction
4. Water-based underfloor heating
5. Mechanical heat ventilation recovery systems
6. Enhanced external wall insulation
7. Ultra-efficient triple-glazed windows and doors
