VENDOR'S COMMENTS

We have lived here since 1999 and instantly fell in love with the beautiful character of the house and the large enclosed garden to the rear, which was safe and secure for our growing family.

We moved here for more space and to be close to local schools, our work and the Carlton Centre Development which has great amenities and recently a new NHS Doctors' Surgery. We have wonderful neighbours and a close community around us.

You are a short walk into the countryside boundary leading across fields to North Greetwell, Cherry Willingham, Fiskerton, Washingborough and beyond via easy access to the Eastern Bypass Walking and Cycle Routes which is a great improvement for Bunkers Hill.

There are good bus routes for schools, Lincoln City Centre and travelling to the East Coast and seaside located a short walk away.

Our house has been extensively upgraded, having had a new roof and lining, insulation and chimneys re-pointed front and back in September 2023. There was a new British Gas boiler / hydrogen ready installed at the same time.

The log burner, which has been inspected and professionally cleaned annually, is great for those cosy nights in the open plan dining, kitchen and garden room looking onto the large garden.

We have also had installed a new electrical consumer unit with new earths and all electrics checked in August 2024. We would love you to come and view our home to appreciate the large rear South facing garden ready for Spring and Summer.

It's time to pass on a beautiful house to the next custodian.
