DESCRIPTION

Wansford Grange offers an extremely rare opportunity to anyone looking for a substantial family house together with land and buildings that offer tremendous potential for conversion and are suitable for a variety of business uses (subject to planning consent). Having previously been the home of a local haulage business, the buildings and yard are naturally suited to this use however the range of traditional buildings and land also offer the opportunity for tourism use by conversion to holiday cottages and pod accommodation or touring caravan pitches on the land. The property will also appeal to anyone with equestrian interests and/ or hobby farmers.

The existing house offers over 4,000 sq ft of oil centrally heated and double-glazed accommodation (including the garage and stores) and although some areas would benefit from some cosmetic updating, it provides an excellent opportunity for buyers to put their own stamp on it. The property is also available with no upward chain.

LOCATION

Located between the villages of Wansford and North Frodingham, approximately 4 miles south-east of Driffield. Wansford is a particularly desirable East Yorkshire village within easy reach of Beverley, Hull, and Driffield itself. Driffield, Beverley and Bridlington offer excellent shopping facilities including national stores such as W H Smiths, Boots, Tesco's, Morrisons, Aldi, Lidl and Iceland Foods, to name but a few.

Sport and entertainment are well catered for, with well supported clubs offering excellent facilities for rugby cricket, football, golf, hockey and tennis.

OUTBUILDINGS

The property has the benefit of two accesses. The principal drive serves the house, the integral double garage, front paddock, and also gives access to the stables. The second drive gives direct access to the outbuildings, workshops, garaging, stables and paddocks. There is ample parking on the drive and large gardens to the front and side of the house, including a very private walled garden (currently overgrown).

The buildings are a mixture of traditional brick and tile single and two-storey buildings and several modern farm buildings as detailed below but including a modern 5 bay workshop, a two-storey brick barn with potential for conversion (subject to planning) and an extensive range of stabling and garaging.

DOUBLE GARAGE
