# The Vicarage, Church Street, Flamborough, East Yorkshire, YO15 IPE

Standing on a generous plot of just over half an acre, this Grade II Listed detached house offers discerning purchasers a rare opportunity to acquire an imposing period property that they can put their own stamp on. The house has been tenanted for many years and offers many original features, but it would now benefit from a programme of updating and redecoration. The gas centrally heated accommodation includes three reception rooms, a good sized kitchen and a utility room. On the first floor are four bedrooms, one of which offers the potential for an en-suite bathroom to be created from the connected boxroom. A generous landing, bathroom and separate WC complete the first-floor accommodation. Outside, there are extensive gardens that are laid mainly to lawn. A private drive provides off-street parking and access to the outbuildings including a garage and domestic sheds.

**Location**  
The Vicarage lies across the road from the historic village Church and, offers convenient access to country walks across open fields to cliff tops and Danes Dyke. Also convenient for access into the main village with a variety of shops, inns and restaurants.
