35 Lowfield Road, Beverley, HU17 9RF

A 2 bedroom semi detached bungalow on this popular residential development. The property requires significant modernisation but represents a great opportunity to invest in a property and truly make it your own. The good sized gardens mean a rear extension may work well (subject to necessary permissions) and there is also a brick built garage. The property is likely to require rewiring, a new central heating system and some roof repairs will be required as well as a full redecoration.

It briefly comprises: a Kitchen, Living Room, 2 Double Bedrooms and Bathroom. There are gardens to the front, a driveway leads to a detached brick built garage and there are further gardens to the rear. An early internal inspection is highly recommended to fully appreciate what an opportunity it represents.
