Properties on Royal Garth rarely change hands with only one other selling since the current owners bought this in 2005, until very recently. The owners are reluctantly selling to move nearer to family and this property has been a very much loved family home. As well as the secluded cul de sac location, the convenience of nearby Beverley town centre, the fact that highly regarded Beverley Grammer School is located at the end of the cul de sac will be a significant draw to discerning buyers. The well presented property benefits from gas fired central heating and uPVC double glazing. It briefly comprises: an Entrance Hall, WC Cloaks, Living Room with bay window to the front and double doors leading to the Dining Room, a delightful Conservatory and a fitted Kitchen with a range of appliances. To the first floor is a master Bedroom with extensive fitted wardrobes and an En Suite Shower Room . 3 further Bedrooms and a Bathroom. A driveway with parking for a number of vehicles (supplemented by a further space at the front of the house) leads to a detached double garage with remotely operated door. There are very well maintained southerly facing gardens to the rear that are quite private in nature rounding off this lovely property.

An early internal inspection is highly advised to fully appreciate all that is available but in the first instance our 360 degree tour will provide an excellent overview.
