An excellent opportunity to purchase a cottage with good sized gardens in this sought after hamlet between Beverley and Driffeld. The property has been improved by the current owners and may offer opportunities for extension/alteration -subject to necessary permissions -to suit the purchaser.

The property benefits from a newer oil central heating system installed since 2021 and offers rooms that are of good proportions. The ground floor is larger than the first floor so there is an emphasis on living space. In brief it comprises: a good sized Entrance Hall, Living Room with cast iron wood burning stove, Dining Room, a fitted Dining Kitchen with range of modern shaker style units with integral appliances including, oven, hob and fridge/freezer, Utility Room and WC Cloaks. To the first floor is a landing, 2 Double bedrooms and Bathroom. The house benefits from uPVC double glazing.

The house fronts straight onto the street, though it is very quiet and there is a decent width grass verge. The gardens extend to the side and rear and the whole plot is approximately 0.18 acres.
