DESCRIPTION

This single building plot has full planning permission for a detached dormer house providing 3/4 bed roomed accommodation with two bath/shower rooms, parking and west facing rear garden. The site frontage is 10.3m and the plot widens to about 14.95m, being overall approx 480 sq m. in size. It is set within a small cul-de-sac of mainly semi-detached houses on the northern edge of this popular village. Individual sites of this size and value are increasingly hard to come by and the plot is a great opportunity for self-build or small scale development.

SITUATION

The plot is situated less than a quarter of a mile from the Main Street through Brandesburton along which can be found most of the wide range of amenities offered by the village to include Costcutter and newsagents shops, a post office, two public houses, a junior school and a variety of restaurants. There are also a golf course and water sports facilities in the village which lies adjacent to the A165 Hull to Bridlington road and is within a very reasonable drive of the market towns of Beverley and Driffield, and Hornsea on the east coast. Hull city centre is about 16 miles away.
