PROPERTY OVERVIEW

Broadoaks is an impressive, modern Georgian-style Five Bedroom Detached House that's beautifully presented throughout - and has the most wonderful Open Plan Kitchen/Dining/Orangery leading out to a large, mature landscaped Garden.

Tucked away at the top of this select cul-de-

sac, the property makes a great first impression! It's set behind electric gates that open to reveal a generous Driveway leading up to the double Garage, giving you secure parking for six cars.

The smart front door opens to the Reception Hall, and the quality you find here sets the tone for the rest of the property. It has the

original parquet floor, a feature staircase leading up to the first floor Landing and two custom-made coats cupboards.

To your left is the Snug which is currently used as a Music Room and the Guest Cloakroom, and to your right is the Lounge - a generous space with a log burner set in a feature fireplace and sliding patio doors out

to the Garden. Returning to the Reception Hall and we head to the undoubted heart of this gorgeous house: the Open Plan Kitchen/Dining Room which opens to a modern Orangery.

Light floods into this impressive space through the ceiling lanterns, windows and French doors that lead out to the patio and garden beyond. The original Kitchen and Dining Room still have the wall between them, but both are fully open to the Orangery making this a superb family and entertaining space. To the Kitchen is an excellent range of quality units with granite worktops, a Rangemaster cooker with induction hob set into a fireplace surround, matching larder cupboard and a central island with integrated dishwasher. The Kitchen leads through to the Orangery which has space for a Kitchen table and sofas and, in turn, leads back to the more formal Dining area - making this a really social space that's full of light throughout the year.

Completing the ground floor accommodation is the Utility which is accessed from the Kitchen. It has plumbing for your washing machine and space for an American-style fridge freezer, and a door leading through to the double Garage.

Heading to the first floor and the Bedrooms are set off a gallery Landing. To your left is the Guest Bedroom Suite with a wall of built-in mirrored wardrobes, further built-in wardrobes and a large En Suite Bathroom with both a bathtub and shower. At the far end of the Landing is the dual aspect Principal Bedroom Suite with Juliet Balcony, dressing area with bespoke built-in wardrobes and dressing table, and an En Suite with double shower. The remaining Bedrooms are all good-size double Bedrooms, with Bedroom Three having access to the smart, modern Bathroom with both a bath and a further double shower.

Heading outside, and the property sits on an enviable 0.46 acre garden plot which has been professionally landscaped so is full of colour throughout the Spring and Summer. There's a wood fired pizza area to the patio and then steps lead up to the Summer House which has light and power, has wired Ethernet for internet connection and is currently used as a Gym - but would make a super Home Office. There's a large central lawn, mature trees and shrubs, green house, brick shed with light and power and a further timber shed and a private gate giving you direct access to the Burntwood itself.
