Positioned in the heart of Stamford, Barley Ridge Gardens offers a collection of thoughtfully designed one-bedroom retirement apartments for the over 60s, blending peaceful countryside views with the convenience of town centre living. Currently under development by McCarthy & Stone, this brand-new scheme is set for completion in Summer 2026 and promises stylish, low-maintenance living in one of the UK's most desirable towns.

Each apartment has been carefully crafted to support an independent, stress-free lifestyle with considered features such as easy-turn taps, modern fitted kitchens, and energy-efficient heating. Many of the homes enjoy either a private patio or balcony, with stunning views stretching across the River Welland, nearby allotments, and surrounding countryside.

The development is centred around a vibrant communal lounge and beautifully landscaped gardens, perfect for socialising with neighbours or relaxing in the sun. Additional benefits include a welcoming guest suite for visiting family and friends, lifts to all floors, and the peace of mind of a camera entry system, 24/7 emergency call system, and on-site house manager.

Barley Ridge Gardens is just a short walk from Stamford's array of independent shops, eateries, and cultural attractions, including the Corn Exchange Theatre, M&S, and the renowned George Hotel. With a strong community feel and exceptional design, this is retirement living redefined.
