The park: our vision

A workplace is much more than just the building you work in. People really enjoy working at Birchwood Park...

We firmly believe that the quality of the workplace should be measured not just by the quality of the buildings, but by the range and extent of the amenities on offer. We have so much for your people to enjoy and with our superb landscaped environment they'll discover a whole new working experience.

Multi award-winning Birchwood Park is already home to **over 150 organisations** employing **over 5000 people**.

We understand that people are your most important asset, and happy people are more productive and motivated.

At Birchwood Park our continued success is based on a simple principle – we want to provide our customers with the best place to work and we do everything we can to make that happen.

We enjoy an industry-leading customer retention rate of over 90% and our willingness and ability to meet changing needs is key to that success.

Whether it's the choice of places to eat and drink, the fitness centre, or just being able to enjoy a sandwich on the grass by the lake, Birchwood Park has been designed so that our occupiers will actually enjoy the place in which they work.

We also understand that everybody has a life outside work, so we have a cashpoint, childcare, free Wi-Fi areas and cycle hire on-site. And because we keep our customers' staff happy, they're able to attract and retain really good people.

Here are just some of our on-site amenities:

- On-site management team
- 3 cafés proudly serving Starbucks coffee
- 300-seat restaurant
- Fitness centre with sauna/steam room
- Free Movie Night
- Free cycle hire
- 118-place nursery
- 103-bedroom Penta hotel
- Meeting rooms
- Auditorium for up to 150 delegates
- Free shuttle bus

Lovell House: so much more than just a building...

Come and join us at Warrington's most successful business community

Lovell House sits opposite The Centre at Birchwood Park, so you and your team will be just a short walk from a morning Starbucks, the lunchtime buzz of our restaurant or an after-work session at our gym.

It's a great place to impress your clients too, with a range of meeting rooms and The Hub for more relaxed chat. Being so close to everything it is no surprise that a wide variety

of businesses have already made Lovell House their home. If you choose to move here your neighbours will include a range of companies including AMEC, Genesys Training and Thermo Fisher Scientific.

It's this mix of established and growing business that helps make Birchwood Park such a vibrant and thriving business community.

"Having relocated my business to Lovell House, I was happy to find the building in a very convenient location with great access to the central hub. My staff have found the gym facility at the Hub a very positive feature creating great moral within the workforce. The building is very secure with a security team on hand 24 hrs a day 7 days a week. This together with the friendly and professional service from all at Birchwood Park has made the move to Lovell house a great decision."

The best **location**

A real sense of **community**

At Birchwood Park we have long been committed to creating and maintaining an attractive and safe community environment to satisfy our customers' needs for happy and involved staff – today and in the future.

This long-term approach has enabled us to manage and develop our offer to include much more than just amenities. Join in a lunchtime exercise class, get involved with local community initiatives or take part in our regular park events and competitions.

- Regular Parklife newsletter
- Summer BBQ and regular events
- Allotments for customer companies
- Outdoor boot camp exercise sessions
- Regular competitions and prize draws
- Strong links with local schools
- Volunteering opportunities for all
- Primary funder of the Birchwood Partnership community group
- Primary funder of the Birchwood Forum business group

Birchwood Park provides a great working environment for our staff and moving within the Park was a really great way for us to expand the team, without upheaval.

During our time here we have met a number of fellow occupiers on the Park and have since found opportunities to work together.

The MEPC difference

Unlike some property owners, MEPC Birchwood Park's team is based on-site so we know our customers by name, and they know us.

We're long-term owners

We are well-known as responsible owners and managers and our long-term commitment to our estates provides our customers with a stable platform for the future. Ongoing investment in security, maintenance, refurbishment and selective development keeps the accommodation, grounds and surrounding infrastructure in the best condition to meet our customers' needs.

We're environmental champions

Looking after the environment has always been high on MEPC's agenda. We have led the way in promoting green business practices and modes of transport on all our estates. As members of the UK Green Building Council, we are encouraging others to follow our lead.

We have real team spirit

Like your organisation, our people are also key to our success. We are a focussed and enthusiastic team and we always strive to deliver value to our customers, our investors and our people.

We are passionate about customer focus

We have built our reputation on understanding and serving the needs of our customers. We recognise that our customers' success is aligned with our own and that is why our retention rates continue to be among the best in the business.
