3 LADY ROAD

This generous garden flat features versatile interiors with three bedrooms, a wet room, and two interconnected reception rooms that lead to a bright kitchen. Ideally located in central Newington, the flat is conveniently close to Cameron Toll Shopping Centre and well-connected by road and bus links. The period home retains much of its authentic charm while offering scope for modernisation and personalisation by the new owner. Enhancing its appeal is a garage for private parking and exclusive access to gardens at the property's front and rear. It presents a fantastic opportunity to create a characterful city home for families or professionals requiring space for remote working. It would also be a prime rental investment due to its proximity to the University of Edinburgh campuses and the Edinburgh Royal Infirmary.
