“The workshop/ garage has been our hub for all sorts of DIY and crafts, and was transformed into a lockdown gym for a while. The sun-flooded garden has been perfect for gardening days and attempting to solely switch to home grown veggie and the blackberry bush keeps on giving. On the weekend, nearby Eastville Park, Green Bank and St George Park areas have been our fave for dog walks and coffees and brunches. On office days, easiest commute into town by bike with the Bristol and Bath Cycle path just around the corner.”
