"It was love at first sight. It is modern, bespoke, peaceful, a home that is bright through the seasons, especially on those lovely summer evenings. It offers green views from triple-aspect windows, window seats, and a lovely balcony for flowers and herbs! One of the highlights about living at Captains House has been my amazing neighbours, and the sense of camaraderie and community with like-minded young professionals. This has been an amazing home to me, and I hope that it can make someone else as happy too!"
