"My partner & I have been in the site for over 2 years and in that time have really enjoyed the community that has built up within Captains house (great neighbours helping each other & always looking after each other) and simply how quiet & peaceful it has been. Within the flat you can hear no traffic, no noise from other flats & you really get a sense of the tranquil environment. Location wise it is perfect: 2 minutes from snuff mills & oldbury court, and a 5 min walk to Fishponds high street with all of its amenities. It is a wonderful, quiet and caring neighbourhood which we have really loved being a part of."
