"It has been a real pleasure to live on Haverstock Road for almost 20 years. The house has a peaceful atmosphere which we noticed as soon as we first visited. We had seen it advertised locally as it had been a part of a TV programme. The previous people who lived here had been here 50 years. We have enjoyed working from home and there is plenty of space. Haverstock Road is a friendly street and we have lovely neighbours, always ready to help out. The open space of the park at the end of the street is relaxing and a great place to watch the sunset or hot air balloons taking off from across the city. We have enjoyed the easy access to the docks, great for going for a run or having a wander and a coffee."
