"I have enjoyed 41 years bringing up my family in this happy home. The house is bright and airy. The open plan layout has made it the hub of many a social occasion. The garden is a private, peaceful, sun trap. Clift road is a friendly and supportive community organising regular street get togethers. It is a great location, with a short commute to the city centre and convenient stroll to North street. You can easily get to an abundance of green space that North Somerset offers."
