"Our house on Pembury Road has been at the centre of many happy memories for us. The position on the cul-de-sac gives us peace and quiet, a sense of community with the neighbours and incredible views out to the Mendip hills from the back. In summer, we sit out on the deck with a BBQ/Chiminea, under the festoons til way past sunset. We recently had a baby whilst living here, and it has been an ideal location to turn our family from 2 to 3. We spend a lot of time enjoying the vibrant food, drink and street-art scene of North Street and regularly exercise in Greville Smyth park or mountain bike in nearby Leigh Woods. Weekends are special living here, whether you want to spend your time at the Tobacco Factory Sunday market, drinking coffee at Burra or Bristol Loaf, or partaking in a yoga class at Trika."
