"We have loved living at Ravenhill Avenue, it's a beautiful, light and spacious home with some incredible views out over the city. The street is full of friendly neighbours, and only a short stroll to the parks and local shops. We love the open plan, feel of the downstairs living space, which is functional, flexible and great for socialising. Being an end terrace means the home has the benefit of a wrap around garden creating spaces that we like to use at different times of the day."
