*"My cherished first flat, originally a run-down small rental property, transformed into my cosy home. It was a project I loved working on, from choosing new flooring to covering over the old Artex ceiling and even installing new underfloor heating in the bathroom - little luxuries that make every day a little nicer. It's been the perfect space for hosting dinner parties and enjoying nights in hand-sewing and reading. Only a couple minutes away from the best Foliage Cafe and The Clifton Pub."*
