*"We've put our heart and soul into renovating our house over the last 7 years, creating a calm and tranquil home that is an escape from city life. We love having St George's Park on our doorstep, which along with Troopers Hill and Conham River Park make for a lovely stroll with the dog. It's been an amazing street to live on, with a strong community spirit, and we've really enjoyed being able to pop to the nearby pubs, restaurants and cafés on Church Road with our friends and neighbours."*
