"Boston road has a lovely community spirit. There are handy local shops a couple of minutes walk away including a bespoke cake maker, chemist and general store. We've spent many a happy hour at the local pub, The Inn on the Green who do a cracking Sunday roast, which we've enjoyed in front of a log fire in winter and in their beautiful garden full of flowers in summer. Their annual two day beer festival is a must. You can also leave your car at home here as excellent public transport on your doorstep."
