*"I have loved my six years in this flat, I call it my oasis in the city. I'm so lucky that I live in such a central location in Bristol, next to Cabot Circus, opposite Castle park and a short walk to the bars and restaurants in the Old City. Though the flat is in a wonderful central location, I particularly love how tranquil and peaceful it is. The balcony overlooks the communal garden with views across to the north of the city and I love sitting out there for dinner in the summer months."*
