*"I have loved living in Trinity Apartments. It's the best location for walking into town and for me, with often needing to get into London, Temple Meads being a 10 minute walk is ideal, it's such a nice community here with bbqs in the communal garden in summer. Being on the 4th floor you can see out over to Ashley down and there's a lovely tree line just outside the window. The neighbourhood is buzzing, there's always something on, the market assembly rooms is a great spot for pizzas, beers and live music."*
