"We have lived in Marigold Walk for 26 years so have seen a lot of changes. A lot of the people we first met when we moved here have now moved on, there are now a lot of young families in the walk which creates a younger feel. Everyone gets on well, it is a lovely place to live and it is central to all amenities yet far enough away for it to be quiet enough. Good schools for all ages are within the local catchment area. The vibrant area of Bedminster and North Street is just a 10 minute walk away as are a few good quality local parks."
