*"We have loved living on Dunford Road for the past 7 years. The house was a blank canvas when we bought it, and we have enjoyed putting our personal touch on it to create a lovely family home. The area has a strong sense of community which has served us well both before starting a family, with some fab nearby spots (Cor, Kask, The Victoria Park Pub) and since having a baby with Victoria Park, Windmill Hill City Farm and a whole host of baby & toddler groups on the doorstep."*
