"This house has been our home through all the stages of our adult lives. Parties in our 20s, marriage and kids in our 30s and raising the kids in our 40s. Our elderly dog has been here with us through each year. We love the summers in the garden (which is a sun trap) and the winters by the log burner. Having two reception rooms allows for us and the kids to have space and the large bedrooms provide great storage for all a family of 4 possess."
