"I've loved living on North Street and getting to step out my front door and immediately be in right in the heart of Bedminster. You can start your day with a coffee from Tincan, spend an afternoon drifting between vintage shops and then settle in for the evening the Malago or Spotted Cow. Between Upfest and the Balloon Fiesta, there's always something happening. But my favourite thing is that my flat feels close to all the excitement while remaining cosy, quiet and tucked away."
