"I have had the best 5 years living in this flat, I wish I could keep it forever. Its location has been fantastic for me, on north street next to the best coffee shops and pubs. Also just a quick 5 minute walk up to Wapping Wharf and the harbourside. When you return home the flat is such a contrast to what's happening outside being so cosy, warm and safe. It's been the best first home I could wish for."
