"I've had an absolutely amazing time at the flat. Waking up and being able to open the doors onto the decking and enjoy a morning coffee or bask in the evening sun with friends have been highlights for me. The area is incredible with so many brunch and coffee places to choose from (Nectar House is my favourite) and if that wasn't enough the restaurants and the pubs offer such good variety and always have live music or quizzes on. I love the Golden Lion and the roast at The Grace!"
