*"I have loved living in this flat for the last five years. I love the location (overlooking St Annes Park), and the bright and sunny garden (which gets the sun all day) along with its grapevines, herb garden, wildlife pond (with breeding frogs), berry garden and pear and apple trees. It's also super close to the Langton pub yet I can't hear anything from the flat/garden so am never disturbed by the noise. The road is lovely to live on, is really peaceful, and has a real community feel and lots of friendly neighbours."*
