"Chapel Mews has been a very special first home for me, and I've loved living here for the past eight years. Fishponds is a fun and vibrant area with some fantastic cafes, such as Fed and The Crafty Egg (who also do great cocktails!) You have your pick of all the supermarkets on your doorstep and having the bus stop 30 seconds from the flat is super handy for getting to and from town. Snuff Mills and Oldbury Court are just a short walk away, if being in nature is your thing!"
