"This amazing home and neighbourhood has been a true haven for our family. The high street is a gem, with fantastic cafes, pubs and wholefood store. We have also spent hours on scenic cycle routes which we are fortunate to be surrounded by to Bath or The Cotswolds. Our garden has been a favourite spot for sunny lunches, quiet moments, and BBQs with friends, and the garden room we built at the end of it has been a dream for working from home. The house is our oasis, perfect for getting cozy by the fire in winter or entertaining with its open-plan outside/inside kitchen on warm days. We would happily stay another 10 years if we could, and we hope the next owners love it as much as we have."
