"This property is in the true centre of Bristol. If you're a Bristolian then you'll know that Stoke's Croft has always been city's true heart. The proximity to Stoke's Croft, coupled with how calm and peaceful the road is makes for a wonderful place to live. Amazing food, the best watering holes and great access to all other parts of the city are all within a few minutes of the property. The other owners of the flats within the building are all very lovely and we've created a strong community."
