We have absolutely loved living on Cowper Street for the past 8 years! Our quiet street, with its friendly neighbours, has been a true haven. Our home has been perfect for us as we've grown from a couple to a small family of three. The open-plan living space has been ideal for entertaining friends and family, and now it's a wonderful play area for our little one. The period features, like the bay window, high ceilings, and cozy fireplace, have added so much character to our home. We will be sad to leave, but we have truly loved our home and the area.
