"This place has been my home and my security for many years; the warmth and strength of the community here is second to none. My most powerful memories will be of the amazing, dramatic, and ever-changing view of sky from the expansive windows. Every moment has displayed a different picture, from deep dark navy star filled night skies, through to magnificent fire lit blazing red summer evening sunset scenes. The light and space from the far-reaching views has not only inspired and overawed me but also gifted me with a connection to something far greater than myself, throughout the 24 years of my adult life that I have loved and adored living in this beautiful house. I have been honoured and blessed to have it as part of my life"
