*"It's felt such a privilege to live here – the views along the harbour in one direction, and out to Ashton Court in the other, are genuinely iconic. We've loved sitting in the garden early in the morning, watching the geese flying in, and the rowers heading out on the water. The house is quiet and sun-filled, and the location is so central – walking along the waterfront into town in one direction, or up into Clifton in just a few minutes in the other – has been fantastic."*
