"Richmond Road has always been my favourite road in Bristol. When I found this house I loved its uniqueness and saw great potential to develop it into something special. During 20 years here, the house, once a spacious shop, has become a vibrant social hub, from neighbourhood dinners to house gigs. We usually gravitate to the roof terrace which enjoys sun all day from morning coffee to a beer at sunset or an open fire at night, providing a secluded space with breathtaking views over the city."
