"We absolutely loved this flat from the start. Such a versatile space and a heaven for plants! It's pretty much the size of the small house and we never felt living in a flat. The mews has an incredible community vibe and we're all there for each other. Needless to say that experiencing living in old market has been wonderful. We saw it grow and then into the vibrant spot that it is now. If we could go to the moon and Grano everyday we would!"
