"I've loved living in Bedminster, with North Street's pubs, restaurants and cafes just around the corner. There are great local services and a welcoming community feel, with central Bristol and Harbourside only a short walk away. The house itself has been an excellent first home, with great social spaces both inside and out, where I've spent many a summer evening out on the deck, or hosting film nights for friends during the winter. I've enjoyed owning the house, especially as I have renovated it significantly over the past 5 years. Whilst I'm excited to move on to new things and sad to leave, I hope the new owners can enjoy the house as much as I have."
