*"Mivart Street is great, it's a real community and my neighbours are fantastic. I've had to rent it out for a few years after moving to London and I stay with them when I come to visit, and good neighbours are priceless! The restaurants and cafes are brilliant and, of course, Sweetmart and The Greenbank are great to have on the doorstep! I wish every street had the community atmosphere that Mivart Street does, that's its USP"*
