" We have lived on Lampton Road for 7 years now and have really enjoyed being part of this wonderfully warm and welcoming community. We felt so privileged to have a lovely house to make our home and to have the beautiful North Somerset countryside on our doorstep, while being close enough to North Street in Bristol to enjoy the shops and cafes. More recently we have welcomed our first child into the family, and he has really enjoyed playing at the local community centre playground and in the woods at the end of our road. We have made so many friends locally and enjoy going for brunch at our lovely local café, The Old Library. We've felt it's the perfect place for being close to the countryside, whilst not too far from Bristol, with local buses and the cycle paths providing good connections to the city. "
