I have loved this flat. It has been my little oasis of calm in the middle of the city. The location is a bit of a backwater, tucked away in The Dings just behind the railway station and hustle and bustle of Old Market. On a warm day, it's lovely to open out the doors to the balcony and make the most of the indoor/outdoor living. Being at the top of the building, it feels really open and bright. One of my favourite things in the summer is to sit out there and watch the sunset over the city.
