"Chesham House has been the perfect first home for us in Bristol but it's time to move on as our family is growing. The back deck is a great spot for a coffee in the sun, and the original wooden shutters keep the flat nice and cool in the summer. We couldn't have asked for a better location - a short walk across the bridge to Wapping Wharf and the harbour, easy distance to North Street and Victoria Park, and a quick cycle along the chocolate path to Ashton Court and beyond."
