"This has been a very special and cosy first home for us. We'll miss this creative community and being so close to all the things that make Easton what it is- friends, the Greenbank, The Garden of Easton, Sweet Mart, the list goes on! We've loved bringing the garden to life, and have spent many sunny Summer evenings in it. As two keen cooks, we have especially enjoyed the light and space that our kitchen gives. We've enjoyed giving this house the colour and personality it deserves!"
