Offers Over £900,000

A rarely available five bedroom barn conversion with some fabulous architectural features and versatile accommodation, in this highly sought after village setting.

This stunning property was sympathetically converted in 2008 and is of mainly stone construction with a part slate and part tiled roof. It comprises of two barns (a former threshing barn and a cattle store). The characterful accommodation includes many traditional and character features such as high vaulted ceilings, exposed stonework and timbers and extensive full height glazing offering fabulous views. At the same time the barn encompasses some of the latest ecologically friendly systems including a ground source heat pump system that provides hot water and underfloor central heating (radiators to one bedroom and one bathroom) and a rain water harvesting system.

The extensive accommodation is set over two floors and features versatile, large open-plan living and kitchen areas along with five bedrooms - two on the ground floor, and three on the first floor. It has three bathrooms. The landscaped courtyard garden is fully enclosed and across the courtyard there are two carports and two additional parking spaces.

This fabulous location offers the perfect combination of rural tranquility yet is less than a mile from the heart of Stony Stratford - a comfortable walking distance away.

Calverton - Location

The village known as Calverton is a series of three hamlets located to the north/west of Milton Keynes, Lower Weald, Middle Weald and Upper Weald. Manor Farm Barns is situated in Lower Weald being the closest to Stony Stratford which is less than a mile away and a comfortable walk. The rural setting of Calverton is a few minutes drive from the historic town of Stony Stratford and the excellent grid road system that Milton Keynes is well known for gives excellent road links to Milton Keynes including it's large indoor shopping centre, leisure facilities and main-line railway station (30 minutes on the fast train to London Euston). The Calvertons are attractive hamlets that have seen little development and are protected by conservation areas.
