About this property

Situated in the heart of town, Home Farm is a distinctive property with high ceilings and large windows which contribute to the light and airy feel inside the property. This character property successfully combines many period features with modern day comforts. The entrance hall leads to a fine sitting room with a majestic inglenook fireplace housing a "Contura" wood burning stove. On the opposite side of the hallway is a generously proportioned drawing room accessed through a period part glazed door with leaded light windows. Again this room has an open fireplace with attractive cabinets to the alcoves on either side and French doors onto the garden. An inner lobby leads to a cloakroom and a study which has a fireplace with wood burner and shelved alcoves either side. The lobby continues to a fabulous recently installed timber framed kitchen with a large dining area and new "Amtico" parquet flooring. This kitchen is the favoured room in the house for family and friends to congregate and includes two self cleaning double ovens, an induction hob with an extractor over, an integrated dishwasher and fridge freezer. There are a vast array of cupboards, drawer units and a useful pull out larder cupboard. Work surfaces are "Quartz" and tiling is provided from the "Fired Earth" company. A central island unit with cabinets and drawers under its surrounding quartz work surfaces, fitted electric points and a custom made breakfast bar. The dining area can host copious amounts of guests such is the extravagance of space available. Continue to a convenient utility room where there is a door to the garden. On the first floor there is a Master bedroom with ensuite bathroom and three additional double bedrooms. One of these also has an ensuite shower room. Additionally there is a family bathroom with a roll top bath and large shower cubicle. A further staircase rises to the second floor and two further bedrooms both incorporating ensuite showers. Outside, block paving provides hard standing parking for many vehicles and access to the larger than average single garage with its boarded roof space providing an excellent additional storage facility. The garden to the rear is enclosed by stone walling and sheltered by various mature trees. It enjoys a southerly aspect and has a summer house nestled in one corner.
