The Property

This beautifully designed home showcases a meticulous layout with exceptional attention to detail,

ensuring both style and functionality throughout. The heart of the home is the contemporary kitchen, featuring a central island, high-end 'Caple' induction hob, eye-level 'AEG' ovens, and pull-out larders for easy access to herbs and spices. Clever storage solutions, including pull-out pan drawers with sliding storage, enhance the space's practicality. The kitchen is complemented by underfloor heating, which continues seamlessly into the utility room and W/C. These areas are finished to the same high standard, offering ample space for an American-style fridge freezer, washing machine, and tumble dryer. Every element of this home has been carefully crafted to offer a luxurious yet highly functional living experience. This impressive home offers versatile living spaces, ideal for modern family life. The dual-aspect dining room is flooded with natural light and features engineered oak flooring, creating a sophisticated space for formal dining. The inner hall boasts large marble-effect porcelain tiles, leading to the potential annexe to the left and the main house's sleeping accommodation to the right. A bespoke staircase leads from a study, providing a quiet, dedicated space for work or study. The charming snug/sitting room, with its central timber beam, offers a cozy retreat for relaxation.

The potential annexe includes a main bedroom with an ensuite shower room, an additional spare bedroom, and a stylish four-piece family bathroom with matching tiling to the inner hall, offering a private and self-contained living area.
