There is a saying that 'good things come in small packages', which basically means that something does not need to be big to be good and that is exactly what we have here!

Perish the thought that it is tiny; far from it as the enlarged downstairs accommodation provides a delightful (and spacious) open plan kitchen/diner with twin french double doors that lead directly onto the long rear garden.

There is even a separate sitting room, complete with 'Clearview' log stove for cosy nights in during the winter months. Upstairs, both bedrooms are 'doubles' and the bathroom has been refitted.

Both front and back gardens are a delight, whilst the rear access road provides 2 car parking spaces.

The village of Tilston is highly regarded and there is a real sense of 'community' living here. There is a lovely pub around the corner, a primary school and a church.

With easy access to the A41, it has the great advantage of swift vehicular access to the nearby market town of Whitchurch in the south, the city of Chester to the north and there is very pretty surrounding countryside, with the foothills of Wales to the west.
